Commencement

First Classes For Summer Session To Begin June 1

Some Special Courses To Be Given Along with the Regular Schedule.

Summer school at Wartburg will begin Monday morning June 1 with registration at 8 o'clock and classes beginning at 1:15. The program, as announced by Dean G. J. Neumann will include, in addition to regular classes in all departments, special courses intended to further the war effort. A wide variety of entertainment is being planned. Lectures and musicals have been scheduled and facilities for popular sports such as swimming, tennis, and golf will be available to all students. More details on the regular work and as well as some special courses may be obtained from the summer session catalog which is available upon request at the office or upon writing the Director of Public Relations.

A large number of Wartburg's regular students will return so that they may graduate at the earliest possible date. Some high school seniors will begin their college careers with the summer session, having the same goal in mind. Others will register for special courses intended to train them for induction into the armed forces. The U. S. army is anxious to renew their certificates with complete the total. The Director of Public Relations, Dr. G. J. Shidhauser, informs us that the enrollment is expected to be high.

NAME NEUMANN AIR ADVISER

Wartburg Faculty Dean Chosen One of Four in Area by U. S. Army.

Dr. G. J. Neumann, dean of the faculty at Wartburg college, has been named one of the faculty advisers of the U. S. army's air force enlisted reserve.

He was one of four faculty members named from eastern Iowa and western Illinois. Announcement was made Monday at Iowa City by Capt. R. B. Daniels of the U. S. army.

Coming Sunday

The Rev. W. H. Behrens of Thienerville, Wis., shown here, president of the Wisconsin District of the American Lutheran Church, will preach the sermon for the Wartburg college baccalaureate services Sunday morning, May 17, at 10:30 o'clock at St. Paul's Lutheran church.

The baccalaureate service is to be preceded by a communion service for graduates, faculty members, and guests at 6 a. m., at which Dr. A. E. Haefner of the college faculty will be the speaker.

SHALKHAUSER TO CONVENTION

The Rev. C. G. Shalkhauser of Wartburg college attended the silver anniversary convention of the American College Publicity Association, to be held May 7, 8, and 9 in Columbus at the invitation of Ohio State University.

The publicity directors and public relations workers discussed the role of colleges in the war, and the particular responsibilities of the publicity staff.

New Guinea Missionary Now in U. S.

Rev. F. Edward Pietz of New Guinea has landed in the United States and will be reunited with his family in Waverly in a very short time.

That simple statement of fact poorly reflects the drama behind it. Mr. Pietz had seen his folks for two and a half years; he has been laboring in the Lutheran Mission field near New Guinea, working at both Lae and Salamaua which have been heavily bombed by the Japanese in recent weeks; so completely has been cut off from the outside world that he had received no word from his family since last October. By some queer circumstance he was able to send word but was not to receive it. He had called his family last month and his latest letter, written in February, arrived recently.

As far as his family knew, though, he was continuing his work in New Guinea. Then the phone rang Sunday. It was his voice, speaking from the home of his sister in a suburb of Spokane. By what route he had come or by what route he had been coming, let all he could say was that he had arrived, was all right and would be home soon.

Rev. and Mrs. Pietz went to New Guinea together twenty years ago, pioneers in the American Lutheran mission field. There were three 14 years, during which time the three children, Lois, Eulalia, and Leola, were born. In all these years, Rev. Pietz has spent altogether about 3 years in America.

Most of that time his wife has been with him but they both returned to the United States four years ago in June. He has been here for 18 months and then went back to New Guinea, while she and the children, Lois, Eulalia and Leola, stayed in this country. The four children are now all grown up. His wife, who is now 42, is a graduate of Wartburg college in Clinton, and the seminary at Dubuque. He has studied ten languages and speaks all but seven, including native vernacular.

What his plans are after he is reunited to his family in America are entirely unknown to his family at present, but the realization of his mission, which he feels his family for the present.

Miss Ruth Meyer Tells of India: Land of Extremes

"Outcasts" Best Converts Says Indian Missionary.

"India is a land of extremes," said Ruth Meyer, a petite, vivacious young lady who has lived several years in India, before the Wartburg college convention, Monday morning.

In India, she went on there in extreme wealth and poverty, in the most beautiful and the ugliest man in the world is a native of India—and extreme poverty, and the most convenient of the crude way of living, airplane service and ox-carts.

In India, said the speaker, there are castes and outcasts.

Missionaries work mainly among the latter because they have more interest in Christianity. To become a Christian in India makes one free all caste and all material possessions—and for a part of the caste members, this is a great sacrifice.

Miss Meyer, a brown-haired, brown-eyed young missionary,

Iowa's Lieutenant-Governor B. B. Hickenlooper To Speak Over Station WMT at 10 a. m.

Speaker

The 74th Wartburg College commencement day will be held on Friday, May 22 at 9:45 a. m. The commencement day address will be given by the honorable B. B. Hickenlooper, lieutenant-governor of the state of Iowa, and will be broadcast from St. Paul's parish house over station WMT at 10 o'clock. Because of the broadcast the graduation exercises proper will begin at 9:45 instead of 10 as formerly announced.

Baccalaureate services are scheduled for Sunday, May 17, at 10:30 a. m. in St. Paul's Lutheran Church. Rev. W. H. Behrens, Thienerville, Wis., president of the Wisconsin district of the American Lutheran Church, will preach the sermon. The baccalaureate service will be preceded by a communion service for graduates, faculty members, and guests at 6:00 a. m.

On the afternoon of May 17 the Wartburg faculty will sponsor a tea for the graduates and guests in the lounge of Wartburg college, including numbers by the Wartburg choir, will be given in the evening.

WIEDERAENDERS TO ATTEND DEFENSE SCHOOL

At the request of the Bremer county defense council and the local chapter of the American Legion, Dr. M. Wiederaenders, head of the education department at Wartburg, was chosen by the administration to attend the Iowa civilian defense training school to be held in the Memorial Union of Iowa State college at Ames, Iowa, May 18-23.

Since that week is the last week of school at Wartburg, and also commencement week, all of Dr. Wiederaenders' classes have written their final examinations and will not meet at all next week.

Pi Sigma Has Tea for W. H. S. Seniors

The high school senior girls of Waverly were entertained at a tea given by Pi Sigma, women's organization at Wartburg Wednesday afternoon, May 15. Mrs. E. J. Braulick poured.

Choir Sings Last Concert at Cresco

The Wartburg choir presented their last concert at the Cresco, before the annual meeting of the Minnesota district of the A. L. C. at Cresco, Iowa, Tuesday, May 14. Transportation was taken care of by private cars. After the concert, a light lunch was served the choir.

The 74th Wartburg College commencement day will be held on Friday, May 22 at 9:45 a. m. The commencement day address will be given by the honorable B. B. Hickenlooper, lieutenant-governor of the state of Iowa, and will be broadcast from St. Paul's parish house over station WMT at 10 o'clock. Because of the broadcast the graduation exercises proper will begin at 9:45 instead of 10 as formerly announced.

Baccalaureate services are scheduled for Sunday, May 17, at 10:30 a. m. in St. Paul's Lutheran Church. Rev. W. H. Behrens, Thienerville, Wis., president of the Wisconsin district of the American Lutheran Church, will preach the sermon. The baccalaureate service will be preceded by a communion service for graduates, faculty members, and guests at 6:00 a. m.

On the afternoon of May 17 the Wartburg faculty will sponsor a tea for the graduates and guests in the lounge of Wartburg college, including numbers by the Wartburg choir, will be given in the evening.

All guests for commencement week are invited to take part in the all-day picnic, which will be held on the campus on Wednesday, May 20. At the same time there will be an outdoor concert by the Wartburg band, under the direction of Prof. E. Heist.

Commencement Day Alumni activities will feature the Thursday, May 21, program. Golf and tennis competition is scheduled for the day and participants are requested to mail their entries early. Class reunions will be the order of the day late in the afternoon as well as the business meeting of the Wartburg Teachers' Fraternity.

At 5:30 all alumni will gather at St. Paul's parish house for the June 1 picnic. The Ladies Aid for this dinner will be Rev. Erich Hofer, assistant pastor at Trinitas, and Dr. C. D. Litchner, now Hampton, Iowa, president of the Wartburg Alumni association, will receive the guests. A special speech instructor, will provide the evening's entertainment.

Twenty-nine seniors will graduate from Wartburg college at the commencement exercises to be held in St. Paul's parish house on Friday, May 22.

Graduates and their major subjects are as follows:

Adolf Abelmann, English; Arnold Becker, social studies; Harold Becker, history; E. J. Beckman, English; James Behrens, Greek; Lester Bergmann, business administration; Romaine Briner, chemistry; Olaf Denner, public school; E. J. OUR FLYING FORTRESS

For high into nine months we keep our noses buried in books, theoretically at least. By the end of the school year we are at a point where we swear never to look at another book—for at least three months.

And then all of a sudden there is a long line forming up the crooked and creaking steps of Old Main; students dig deep into their pockets, wallets, or old socks; and when their turn comes, slap down the necessary legal tender and walk away happily clucking—a book.

But this is not an ordinary book, nor does it receive the ordinary criticism from the students. When they first receive their copy, they think it is pretty wonderful—"The best we ever put out" and so forth. Then, after the first novelty wears off they really "tear it apart." No critic judges so harshly or so unmercifully as the students, as they tell each other what they don't like about the Fortress. Good points of the production are forgotten as they condemn and criticize.

Then there is a mad rush to get everybody and his brother and sister to write a few lines beside his or her picture.

Then as the pages begin to fill up with script and tender reminiscences, the book as a technical job of composition and make-up begins to fade into the background and the true Fortress comes forth, to be cherished for years as an invaluable remembrance of our days together here at Wartburg. It's our Flying Fortress!

KNIGHT MARES

By F. R.

The crowd was tense—every one held his breath—who would have dreamt that Landwehr could pitch a baseball!

Well that's just what the bottle said about the stopper—He's a corker.

Everyone was talking about girls—then George piped up and said that he was going home to work on the bottle for the summer session started.

We had often wondered who made Mr. Stief so smooth—now we know—he drinks cold cream in his coffee.

Loulay? Wonder what we would have said if he team and quit playing and gone to supper?

They tell us that the girls in the Dorm have been ever so nice this week? They figure Mrs. Labahn might go away again tonight.

That's right—you give 'em an inch and they'll take a mile. That also leads us to wonder why none of the girls can stay out to work on the Trumpet, Fortress, or things like that?

Jimmy the boy from South St. Paul certainly has been making the most of the CAMPUS this last week-end you probably brought it all on yourself, didn't you?

As the year slowly draws to a close we are beginning to wonder if the old adage about parting being such sweet sorrow will prove true?

Herman is but a memory—however Lady Ester is cooking well.

Dear Ole—since you are such a little fellow, and since you had such a pathetic note in your voice when you asked us not to say anything—just relate we

wouldn't think of mentioning it.

Slam—bang—crash—Where's Schultz?—why Victor—what did you do now?

Quite—who wants to be safe? Unsafe. Do you think it could be a black-out complex?

Roses are red—violet are blue—they're rationed sugar—but why not you?

Since this is the last edition of the Trumpet we are going to give those people who haven't guessed, the low down on P. R. Well here it is—P. R. is short for Peter R. So until next year keep 'em flying, and well be seeing you.

WARTBURG JOINS RESERVE SETUP

Wartburg college has received official notification from Washington that it has been approved as a V-1 training school in co-operation with the Navy's new training program for younger college men.

About the same time, Wartburg aligned itself with other colleges of the land to cooperate in the deferred service of either the army or the navy. This means that freshmen and sophomore boys below the ages of 17 and 20 inclusive who wish to help with the national war effort may enlist as part of the army or navy while they continue their college course.

Under the V-1 training school appointment men that Wartburg students may enlist in the navy reserves may take two years' leave in the summer (especially the sciences) and then may have their four years at home school choosing at that time whether they wish to be in naval aviation, a desk officer, or engineer.

The army air corps reserves is somewhat different in that it allows the student to complete his four years in the ordinary manner graduation he takes an examination and then is in line to be a cadet.

NAMED TO HEAD TRUMPET FOR NEXT YEAR

Robert Wiederanders of Waverly has been named as Editor of the Wartburg Trumpet student newspaper at Wartburg college for the coming year.

Wiederanders has been assistant editor of the paper for two years, and since November has been business manager.

Ruth Matthias of Waverly has been named as business manager of the publication.

She has been a reporter in both the feature and news departments, and during the past year has served also as an advertising solicitor.

NEUMANN AND SANGER NAMED

Edwin Neumann, Waverly, has been elected editor of the 1943 Fortress and Lawrence Sanger, Critch, Wis., business manager of the same at old student election.

"Ebbin" Neumann is the son of Dr. G. J. Neumann, dean of Wartburg, and while he will be only a sophomore next year, his ready distinguished himself on the campus as an actor, having taken leading roles in three of the four major productions of the dramatics club this year, as a journalist, writing for the Trumpet and Fortress, and as a student, being on the first semester honor roll.

"Larry" Sanger is active on the campus too. He is in Luther League, Pre-the, and is a book-seller of no mean ability. He has done a lot of work in the recent drive on the campus for gathering scrap paper and metals and also in promoting the sales of defense items. He has certainly established himself as a hard worker and should keep the Fortresses right where it belongs in the future.

These two will succeed Doris Krueger, editor, and Marvin Kampfe, business manager.

Ester Weiss, who will graduate from Wartburg this year, has accepted a position as a secretary in the office of the American Lutheran church at Columbus, Ohio. She will start work there on the first of June.

MUSIC NOTES

The male quartet sang several hymns at a meeting of the Birthday club Thursday, April 30.
Geneva Preston sang "Open the Gates of the Temple" by Mrs. Knapp for convocation May 1. She was accompanied by Helen Thompson.

The male quartet sang the hymns "Holy, Holy, Holy" and "O, That I Had a Thousand Voices" for the Luther League Rally at St. John's Lutheran church at Summit, Sunday, May 3.

Arthur Becker played two flute solos—June "Barcelone" by Escholtzsky and "Spring" by Debussy at a banquet of the Wartburg club held at the Fortner hotel Monday evening, May 4.

For convocation Friday, May 8, Ruth Miller sang "The Plains of Peace" by Barnard. Helen Rice accompanied her.

University of Texas faculty members have approved a proposal for teaching of Russian.

Harry Stief Elected New Student President

Heist Chosen as Vice-President in Student Poll.

Harry Stief, junior pre-theological student from LeMars, Ia., was elected president of the Waverly college student body at a general election, April 27. At the same time Edwin Heist, junior prethe from Waverly, was elected vice-president.

Harry Frederick Stief, Jr. was born on a farm near LeMars, Ia., on Sept. 4, 1922. At the age of five, he moved with his family to Chester, S. D., where they lived for eight years. Then they moved back to Iowa and settled at Maurice, where Harry attended high school for three years. His last year of high school and first two years of college were completed at LeMars, Ia. In present time, Harry came as a newcomer to all out requirements for his pre-theological training and pitched right into campus activities. He joined the debate club and became its president last semester. He is also active in the science club, Waverly Players, pre-the society and Lutheran League.

Mr. Stief intends to graduate

with a history major; but in between times he is keenly interested in cabinet-making and horse-back riding.

When questioned about particular likes or dislikes, Harry expressed the philosophy that has helped to make him so popular here at Waverly: "I like everybody."

Edwin Heist, new student body vice-president is a local boy, a "prof's kid," and also very active in student activities. He has been a member of Pre-the society, Lutheran League, student senate and Trumpet staff. Athletics too, take up part of Edwin's time. He is a regular on the tennis team and a reserve in basketball.

WOMEN HOLD PURSE STRINGS IN AMERICA

Columbia, Mo. (AP)—American women control 70 per cent of all private wealth, and their collective holdings exceed \$216,000,000,000, asserts Dr. James Madison Wood, president of Stephens college. Women not only own most of the money, but they spend it, too. They buy 90 percent of all furniture, 70 percent of all clothing, even 83 percent of men's ties.

Frosh-Soph Picnic Vies With Jr.-Sen. Banquet

Classes Bury Traditional Hatchet as Year Closes.

While the Juniors and Seniors were putting on their best bib and tucker in preparation for the banquet, the freshmen and sophomores were heading down the dusty trail toward the picnic. A very bumpy road indeed, at least that is what Jerry said: Phyllis moved size didn't mean everything when she carried a high-jumping standard half a mile!

After reaching the stamping grounds, the early comers made futile attempts to play a game of volley-ball which really ended in hitting the ball and trying to catch it before the wind blew it into the river. Ask Irene, she knows!

The call to "come and get it" was made about 6 o'clock and everyone, including Tubby, made a run for the food. Banquets were quite popular things most of the evening and they made a nice table too. Especially when they accepted your invitation, huh Jack? Emma K. did her best to get that fifth hammy, but had to settle for more beans.

Before the meal could be digested someone started a ball

game in which the girls showed the fellows what practicing can do. Rudy decided not to hit toward Schma or Margaret anymore, after they caught both as high fives. Chasing foul balls into the river was a real problem. Walt even had to go swimming to get one of them. Was it cold Walt? A place on that red blanket was quite hard to get especially when you wanted to sit next to some certain one. I think Maus knows!

The campfire was without a doubt the big event of the day, and that right! Truth and Consequences was played. Hans exposed for the first time to the public his mid-semester grades. Bernie sang us a song in Ca-Da language, and Brewes gave his version of "I've Been Working on the Railroad."

When the moon came through the clouds, Hank decided it was time to go home. Some roads, and some shoes to walk. Even the freshman president walked part way, then he decided to accept a ride. Will you tell us why George?

The complete success of the picnic made it one of the outstanding social events of the year and from all indications it may turn out to be an annual affair.

Wartburg Cooperates in Lutheran World Action

\$650,000 Sought for Armed Forces and Orphaned Missions.

Wartburg college students joined Lutherans all over America last week in answering the nation wide appeal for funds to carry on the program of Lutheran World Action, which carries the services of the Lutheran church to the men in America's armed forces and helps support those missions in foreign lands which have been cut off from their source of support in Europe.

Lutherans of Waverly will participate in a nationwide appeal in behalf of the Lutheran ministry to men in the armed forces and war-orphaned missions on Sunday, May 19, according to Rev. R. C. Schuster, pastor of St. Paul's church here.

More than 7000 Lutheran congregations in all parts of the country will participate in this drive called Lutheran World Action. Goal of the appeal is \$650,000, the amount required to maintain these Lutheran services for a year.

For Service Men
Of the total \$650,000 will be earmarked for the ministry to service men, which was initiated by the Service Commission of the National Lutheran Council in 1941, shortly after the draft laws were passed.

Since its inception the Service Commission has set up 31 service centers in all parts of the country, in communities adjoining the largest concentrations of Lutheran men. These centers are staffed by pastors who have the responsibility of ministering to the spiritual needs of men in the service.

(One of these pastors is Rev. Alfred Raush, formerly of Reardon, and graduate of Wartburg, class of '21.)

No Conflict with USO.

It should be made clear, said Pastor Schuster, that this program does not in any way conflict with that of the U. S. O. Leaders of the Lutheran church believe that the church has a responsibility to minister to the spiritual needs of members wherever they may be.

In addition, assistance is given to many local congregations who provide religious service for service men in the immediate neighborhood.

At present the Commission has 31 full-time workers and 85 "congregational" workers, maintaining centers in all parts of the country.

Orphaned Missions
Everything in excess of \$250,000 will be used to support war-orphaned foreign missions and Lutheran Refugee Service. Directors of Lutheran World Action have also decided to contribute to the work of the V. M. C. A. War Prisoners Aid, which serves men in prison camps in all parts of the world, and to the emergency fund of the American Bible Society.

In discussing the appeal Pastor Schuster pointed out that, with the advent of war in 1939 and its subsequent spread throughout northern Europe, Lutheran missionary societies in Norway, Finland, Germany, France, and Denmark were cut off from their mission fields in India, Africa, China, Madagascar, and other countries. American Lutheran churches, he said, became responsible for all Lutheran missions in the world—except those of Sweden.

Play by Petrick on Wartburg Broadcast

The Thursday broadcast from Wartburg college featured a radio adaptation of a play written by Bertrand Petrick, junior at the college and a member of the class in radio program techniques.

The cast included Olivia Denel, Arnold Raabe, Ruth Fox, Estrand Petrick, Arnold Corrigan and Don Torquist. Petrick was the director and Corrigan had charge of sound effects.

Another feature of the broadcast was interviews with two seniors—Richard Werth, representing the chemistry department; Jimmy J. Edmann, the music department; Wilma Bergman, the teaching department; and Esther Wagon, the economics department—conducted by Albert Martin, also a member of the class in radio program techniques.

A recent survey reveals there are 32 teachers in attendance at American institutions of higher learning.

PLAYERS SEE 3 ONE-ACT PLAYS

Dramatics and Radio Speech Classes in Charge of Program.

Three one-act plays, produced and acted by members of the Dramatics and radio speech classes, were presented at the first meeting of the Waverly players, May 13, in Wartburg auditorium.

"Steadfast Oaks", directed by Esther Weiss, portrayed the story of a woman's club and its efforts to impress a wealthy new member and get her to join the club. The visitor, however, sees through their scheming and refuses to join until they also ask a childhood friend of hers who has formerly been looked upon as a member of the club. The cast included Carole Eckstein, Gertrude Clemens, Ruth Mathias, Esther Weiss, Lois Harsted Slater, and Mary Wagner.

The radio speech class recorded a radio adaptation of the one-act play "Slutterm of Skagereak" by J. V. Cowen. Darlene Brandt and Albert Martin portrayed the characters while Professor Don Torquist handled the announcements and Donald Voigts had charge of the recording.

In a lighter vein was the third play of the evening, "Georgina Caroline", directed by Arnold Corrigan. The experiences of Caroline when she encounters a burglar in her room while her husband is searching for the culprit resulted in a highly humorous dramatization.

Characters in this play were James Mierow, Arnold Corrigan, and Harold Tesch.

Prior to the evening's entertainment, the Dramatics club elected Arnold Raabe of Waverly, Wis., as their president for next year. Arnold Corrigan, acting president, was presented with a bronze statuette in appreciation of his leadership during the past two years. Since Professor Torquist is to be inducted into the army this June, the Dramatics club expressed its appreciation to him by the presentation of a gladstone bag.

Convocations—We Had 'Em!

The convocation period is a regular part of the day for Wartburg college students. Dr. John Hiltner, head of the committee in charge of convocation programs has compiled the following statistics concerning the variety of programs presented for the students during the last school year.

128 convocations were held during the course of the year.

75 of these were of a religious nature; 49 were secular.

33 "outside" speakers appeared during the year. Practically every leader of the college appeared on the platform at least once.

The pre-theological students conducted the liturgical services on Fridays.

The Thursday student convocations were arranged by a student committee consisting of Lorraine Grosshans, Ervin Frank, and the student body president.

A special feature in this year's program was the showing of nine motion pictures, such as "The Power of God" and "The Child is Bothered."

Dr. Hiltner wishes to express his thanks to everybody who helped in making the convocation program a success.

Dr. Will Durant, philosopher and author, speaking at University of Pennsylvania, said he believes President Roosevelt will be re-elected to his fourth term in 1944.

War Calls Half of 4-Year Teachers

One-half of the 4-year teachers graduating from Wartburg this spring will divert their talents into the service of the United States war effort. Some of the boys are going into active service with the fighting forces, and others will go into scientific research. All but seven of those who intend to teach next fall have accepted positions. Dr. Widenfenders, head of the placement bureau states that several of these should sign contracts before commencement.

Courses in journalism are now offered at some 450 colleges and universities.

One hundred five graduates of the Bible college of Texas Christian university are preaching in Texas, a survey discloses.

Thirty days hath September, April, June and my Uncle for coesday. To the Tiny Club for a ham sandwich. But Tommy said that my Uncle has nothing on the Halvans—ever the Fascist Runners in the world. (Tommy hasn't seen Ole and his recent acquisition or he would have known that the Reds are even faster.) The Ford is in the garage now so the gang will have to wait to the Tiny Club for the duration.

Bob Engelbrecht came in the other day with—uncle—but with a gripe. Says Bob, "What Will I do? That Uncle is due tomorrow noon."

I have some verse to write. And some is me—I have a test Tomorrow morning bright! All Tommy could advise was "Take poison" and Dave, trying to be helpful, added, "If poison fails, try Chemistry!" Says Bob, "But I tried Chemistry and it failed!" Bobby was a soda selt. Bobby is no more. What Bobby thought was H2O was H2SO4.

O. HARDWIG DIES SUNDAY

Oswald Hardwig, 65, chairman of the board of the Lutheran Mutual Life Insurance company, died at his home Sunday, Apr. 26, after a long illness. He had returned home from the hospital only the day before.

His funeral was Tuesday afternoon with family services at the Kaiser home followed by burial in St. Paul's Lutheran cemetery and a large funeral service at St. Paul's church with Rev. R. C. Schluter officiating. Casket bearers were Fred C. Kuehn, Carl E. Hagemann, J. P. Kroger, Fred W. Studier, W. C. Voecks and E. H. Wittner, all of the home office of the Mutual Life company. That office was closed for the afternoon as a gesture of respect for the deceased who had been associated with the company as an officer since 1914.

He entered Warburg Normal college, Waverly, in Sept., 1889, graduating in 1894 and teaching the next years in St. Paul's school here. He became an instructor of music in the Warburg college faculty in 1903, continuing in that work until 1924, but after 1914 carrying with it also the duties of part-time president of the Lutheran Mutual Aid Society. After 1925 he resigned from the Warburg position to become full-time president of the insurance company and in 1934 became chairman of that company's board, a position which he held until his death.

He used his talents freely not only in his business but also for his church and community. He served on the city library board on the board of the Children's home on the Warburg college board on the committee for soldiers' and sailors' aid for the Iowa Synod and on the national Lutheran council for soldiers' and sailors' welfare, the latter two during the first World War. He also was a director of the Warburg Publishing House in Chicago and edited the Warburg hymnal which was published by that House and which is still in use. He was a member of St. Paul's

church and served on its council. He held office in the American Federation of Lutheran Brotherhoods.

He was married in St. Paul, church July 28, 1898 to Helene Friedmann who survives him. He also leaves three sons and two daughters. Edwin of Charles City, Dr. O. C. Hardwig of Waverly, Robert who is a student at the State University of Iowa, Hertha who is now Mrs. Richard W. Ockerhausen of Cliffside Park, N. J. and Margaret, now Mrs. Robert Williams of Northampton, Mass. All but Mrs. Ockerhausen were here for the funeral. There are also four grandchildren: Jeremy and Helen Hardwig of Schenectady, N. Y., children of Alfred who died in 1927; John and Ann Catherine Hardwig of Waverly, children of Dr. Hardwig.

Mr. Hardwig had been stricken with a heart ailment in 1934 but had been comparatively well after that except for one illness. His fatal attack came about three months ago.

Tests by the University of Michigan engineering research department have shown that poor spark plugs may often waste as much as one gallon of gasoline in ten.

Hiltrude Braulick Becomes Bride of Rev. R. Gronewold

Hiltrude Braulick, daughter of Dr. and Mrs. E. J. Braulick of Waverly, became the bride of Rev. Richard Gronewold of Wooster, O., Thursday at high noon in a double ring ceremony read at St. Paul's Lutheran church by the bride's father, assisted by Rev. R. C. Schluter. Organ music was by Prof. E. G. Heist who also accompanied the vocal solo of the bride's brother, Rev. Harold Braulick of Arlington.

The bride wore a floor length gown of white ribbed silk made with a train, long sleeves and sweetheart neckline and carried an arm bouquet of red roses. Her double length veil was of blush and white net, the blush veil in shoulder length and the other falling to her fingertips.

She was attended by her sister-in-law, Mrs. Rued Braulick, as maid of honor and by her sister Ruth as bridesmaid, both in floor length chiffon dresses, the former's yellow and the latter's pink. Their flowers were corsages of pink roses and yellow daisies.

Rev. Erich Hofer of Waterloo was the best man and Marvin Kampke of Gothenburg, Neb., the groom's other attendant. The latter and his brother Levern also served as ushers.

After the ceremony a three-course wedding luncheon for twenty-five was served at the Braulick home where singing men were in the bride's colors of pink and yellow. Those from away who attended included Rev. and Mrs. Alfred Mardorf of Harmony, Minn., and Mr. and Mrs. P. J. Neubauer of Oskawville.

The bride and groom both are graduates of Warburg college, of which her father is president, and both took advanced work later, she graduating from the library school of the University of Illinois and he from Capitol Seminary, Columbus, O. She has been employed in the reserve library at the State University of Iowa, Iowa City, and is now pastor of the Salem Lutheran church in Wooster, O., where they will be at home after June 1. His parents are Mr. and Mrs. Herman Gronewold of Gothenburg, Neb.

Miss Hilda Beal Speaks on War Conditions in England

Students Hear Her in Thursday Convocation Period.

Miss Hilda Beal, of York, England, brought the present war in England in stark reality to Wartburg students in the convocation on Thursday, May 14. She came to the United States in January of this year, and it took her 28 days to make the trip from England by freighter. She is a school teacher in England, and this is her second trip to the United States. The contents of her talk follows:

The English now are allowed to buy only 25 cents worth of meat per person per week.

They get only 2 ounces of butter, 4 ounces of lard, 1 egg and 2 pints of milk per week per person.

"We like everything to be the same for everybody," she declared, and went on to emphasize that from this equality of sacrifice there is being born a new Britain, one in which there is much more democracy than ever before.

All men in England from 18 to 50, married and unmarried, are now subject to call for the fighting services.

There's no distinction between married and unmarried men (there are allowances for families) and this has been the case for men 20 to 41 since the beginning of the war.

Those 18 to 40 not in the armed forces must take part in home defense work, as air raid wardens, fire fighters, or some other way.

Women 17 to 51, married and unmarried, are being

registered for war work, and women 19 to 25 are now being shifted into that field "if their present work is not of national importance."

For example, a beauty parlor worker gets ten days to find work in a munitions plant or similar enterprise; a domestic worker gets the same choice. If they don't find work, the government finds it for them.

250,000 Women in Armed Forces

More than 250,000 women are in the armed forces, and naval casualty lists are now divided into "men" and "women."

Women "do transport work—it doesn't take a man to drive a jeep or a 'tank' or whatever you call it," cook, keep records, keep weather records, and so on.

Others handle anti-aircraft batteries or searchlights.

A great many married women are going to work, with their children being placed in day nurseries.

40-Cent Deposit For Drinking Glass

One of the great searches in England is glass. Why? When a 500-pound bomb goes off, every window within a quarter mile is broken.

Glass is so scarce that a man buying a drink in a public place must first deposit 40 cents for the glass.

In many homes light-transmitting cloth is used in place of glass, and it has been in homes where the windows have been boarded up.

"Lights at Night" Big Thrill in U. S.

"When I'm asked what strikes me most in America, I always say 'The lights at night,'" Miss Beal said.

Britain has now been blacked out for over two and one-half years "and we always remember we are only 21 miles from occupied France."

Britain has practically ceased to make luxuries because "we have got to the stage where things that don't matter are not produced." There are no cosmetics, rouge, powder; most women wear their hair short because hairpins are not to be had; there are no toys, except possibly one for each child at Christmas.

And the countries in Woolworth's are so empty that when the buyer finds potatoes and the omnipresent carrots that are eaten so widely to improve night vision.

And it's against the law to wrap any article for delivery; you carry it home in a shopping bag.

Every scrap of paper is saved—and this is made wrappers for munitions.

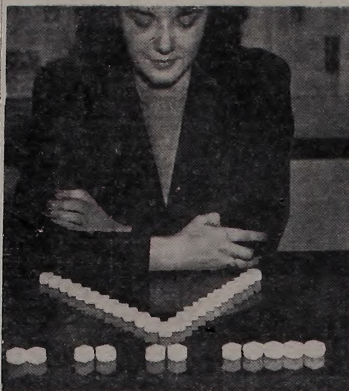

Miss Beal is speaking in the United States under auspices of the American Association of University Women.

College enrollment in French classes has dropped 23.5 per cent, and in German 11 per cent, since last September.

From England

Hilda Beal of York, England, who has been an air warden and who has driven a canteen in heavily bombed areas of her homeland, will speak at a public meeting in Waverly next Wednesday evening, May 13.

She is being brought here by the local branch of the A. U. W. following her appearance as a featured speaker at that organization's state convention in Waterloo last week. Her subject was war as it strikes the people at home.

MAY 17 SET AS U. S. O. SABBATH

Seventeen U. S. Religious
Groups Formally O. K.
U. S. O. Program.

Sunday, May 17, has been designated a "USO Sunday" by the national USO organization.

The work of USO has been formally approved by seventeen of the nationwide U. S. religious groups or denominations.

The heads of these groups have signed a statement which points out that "The USO is doing a job—a big job and a vital job—in this wartime world. It is completing its first year of operation at 637 service clubs, troop-in-transit lounges, and mobile units. USO gives men in service the warm human touch, the homely comforts which mean so much."

Ministers everywhere are urged to devote a part of their time to the USO drive in their May 17 services, emphasizing the manner in which it contributes to the welfare of the boys in the service.

OVER 300 ATTEND H. S. SENIOR DAY

Five States Represented;
Wartburgers Demonstrate
"A College in Action"

In spite of threatening rain, 300 high school seniors and visitors from 33 communities in Iowa, Illinois, Wisconsin, Minnesota and Nebraska flocked to the Wartburg college campus for the annual "Senior Day, April 22."

Registration took place in the college library, and the guests then moved in to see "A College in Action." Laboratory displays and numerous demonstrations were exhibited to illustrate the activities of the various departments.

The Wartburg choir was featured in convocation which was held at 11 a. m. in the college auditorium. At the time, President Handrick extended a welcome to Wartburg's guests on behalf of the college.

Early in the afternoon Wartburg's band presented a concert in the gymnasium. Following this, Wartburg met Penn in the first home conference baseball game and defeated the visitors, 6-0. Home matches between Wartburg and Loras also provided some thrilling moments.

A picnic supper was held on Wartburg's north campus. In the evening, the Wartburg Players presented "Oh, Bessie Goldsmith's 'She Stoops to Conquer' as their last performance of the year.

Organizations

Pre-The Society
After the last regular business meeting of the pre-the society, Sunday afternoon, May 3, the members went to St. Mary's Catholic church of Waverly for a study of Catholic forms of worship.

The project of the society when it meets again in the fall will be religious canvass of the city of Waverly, which was originally planned for this spring.

Hec Club
Members of the Hec club held a picnic breakfast along the banks of the Cedar river on Wednesday, May 13 at 8 a. m. Emma Klein had charge of arrangements.

At the regular meeting held on Thursday, May 14 the group voted to give a total of ten dollars toward a war bond. Part of this amount was profit from pie sales on Senior day.

Pi Sigma
Pi Sigma held a six o'clock May breakfast this morning on the banks of the Cedar north of Waverly. Pancakes were the special item on the menu.

This social function, which was in the hands of a committee headed by Mary Wagner, was the last for the organization this year.

Students at the University of Tampa are being paid commissions by the city to collect delinquent taxes from 11,000 persons.

FROSH SPEND MOST OF THEIR TIME SLEEPING

The average college freshman spends most of his time sleeping, according to a survey at Ohio State University. Seven hours and

46 minutes are devoted to sleep by the average freshman, the statistical study reveals. The average student spends three hours in the classroom, the same length of time studying, and eats for

one hour and 44 minutes. Amusement claims two hours and 27 minutes of the time budget, while employment is only one hour and 38 minutes. The remainder of

the 24-hour day is utilized in treks to and from meals and classes and in non-classifiable activities.

Victory Begins At Home!

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here—in urgent need here—for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students—men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes—aged 18 to 26, inclusive—can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot—and be well started on your way to serve America and advance yourself in aviation.

Three Enlistment Plans for College Men

Juniors—Sophomores—Freshmen
May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

All College Men May Enlist for Immediate Service

2. All college students may enlist in the Air Force Enlisted Reserve (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an overall Army Enlisted Reserve Program which is to be continued. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation to an satisfactory scheduled at work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

If it is understood that men so enlisted will have the opportunity of completing their education in officer's candidate school.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (State an enrollment in an officer's training program regarding established R.O.T.C. plan.)

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.

Knights Beat Buena Vista for Fifth Win

DOWN BEAVERS 12-11 WEDNESDAY

Catcher Langholz hits Double In Tenth To Score Hughes.

The Wartburg Knights won their fifth game in six starts by beating the Buena Vista Beavers in ten innings at Waverly, Wednesday afternoon.

After two were out in the last half of the ninth Rudy Langholz hit a double into deep left to score Jim Hughes for Wartburg's fifth victory in six starts. The game was played on a wet field, and 17 errors were committed, 13 of them by the Knights.

The local squad displayed considerable power at the plate and garnered 15 safeties off the offerings of Jay Beckman.

Eight of the hits were made in the fourth inning when 12 Knights marched to the plate and put around seven score in that inning. Bill Hughes, freshman shortstop, punched out two singles and scored a triple.

Freshman Lelek started on the mound for the Knights but found the going a little too tough and gave way to Dick Landwehr, senior first baseman, who successfully throttled the Beavers in his five innings of service.

One of the most beautiful plays ever seen on the local field was made by catcher Landwehr in the tenth when he tagged a man at home and threw an out at second as the runner attempted squeeze play, setting Fletcher Landwehr out of a hole.

Next Wednesday afternoon, May 20, the Knights close the season with a home stand against the Upper Iowa Peacocks, the first team that has beaten the Knights this spring.

LEKWA STARS AS KNIGHTS WIN

Freshman Relief Pitcher Works Seven Innings Against Ellsworth.

Freshman Arnold Lelek, Poplarville, Tenn., proved to be a tough pitcher for the Wartburg Knights by striking out 11 and allowing one hit in seven innings of relief pitching to give the Knights a 6-4 non-conference victory over Ellsworth Thursday night, May 7.

The game was played on the college's north field, and the wet grounds caused for errors. None of the afternoon's runs were earned. Wartburg's big inning was the fourth when a catcher, a walk, a hit batter, W. Hughes' single and Herron's triple scored four runs in the fifth.

VAN DYKEMEN WHIP ELLSWORTH

On Thursday, May 14, the Wartburg Knights decisively defeated the Ellsworth Junior college team by a score of 14-2.

Freshman Gene Nielsen throttled the Ellsworth bats for seven innings and then was relieved by Arthur Lelek to finish the job. "Lefty" Gene allowed the Ellsworth bats to score only 14 Ellsworth batters before yielding to Lelek for the eighth inning.

Arthur Lelek, a senior, whiffed five of the eight men to face him, and gave up but one lone base knock.

Armin Leschensky, Knight left-gardener, was the hitting star, garnering three sharp singles in five trips to the plate. Gene Nielsen also hit his second triple in as many days, and Ed Goble also had three through with a scorching line to right center in the sixth inning.

Landwehr and Ridout shared the pitching duties for Ellsworth, and were pounded for 12 safe blows by the Knights.

Following is the score by innings: Wartburg 003 603 002-14; Ellsworth 010 001 000-2 4 12.

KNIGHTS LOSE TO PEACOCKS 6 TO 0

The Wartburg Knights lost their first Iowa conference baseball game in four starts, 6-0, to the Upper Iowa Peacocks at Fayetteville on Tuesday.

The local batters found neither the rainy weather nor the offerings of Wayne Thacker, Peacock pitcher, to their liking and garnered only two hits all afternoon, singles by Leschensky and Nielsen in the eighth inning.

Freshman Nielsen took the mound for the Knights and was troubled for 3 hits and 4 runs in five innings. Sophomore Herron took over in the sixth and allowed 3 hits and six many runs in three innings of service.

WARTBURG TAKE QUAKERS 6-0

With sophomore Don Herron pitching two-hit ball and striking out ten batters in six innings, the Wartburg Knights scored a 6-0 conference game from the Penn Quakers 6-0 at Waverly Wednesday, April 25.

Freshman Nielsen relieved Herron in the last frame of the seven frame game and struck out three men for the final out to give Wartburg their third straight shut-out this season, over their rivals from Oskaloosa.

Two of Wartburg's runs were scored in the first inning on a hit and three errors. J. Hughes reached first on an error and scored on a timely hit by Herron. Langholz also lived on an error but was forced at second by Frericks and Herron raced home with another run.

The rest of the scoring occurred in the third inning on two hits and three errors. J. Hughes, first man up, hit to short who overthrew to first, and when the Penn Quakers batters threw wild to second, Herron came home. Langholz followed with a single, and Frericks followed with a single. Captain Landwehr's triple. Landwehr in turn scored when Gabel got a fly for an error.

The only Penn error was a single by Byerly, short stop, in the first inning and another by LeFrette, second base, in the sixth frame.

DAYDREAMING

Here we go again, trying to make us as good as any Big Ten team. On Wednesday of this week the Wartburg Knights won from the Buena Vista Beavers 12-11 in ten innings.

Also this week the Beavers knocked off Luther in ten innings, and earlier in the season, Luther whipped the University of Minnesota. So what does that make us? Well, if we can use our imagination a little bit, we are justified in saying that the Knights could take the University of Minnesota!

There is no doubt in my mind that if we would have played Drake University of Des Moines, we could have beaten them too. Look at the facts: The Knights beat Penn 11-4 in seven innings, 15-0 in five innings, and 6-1 in seven innings. The best the boys from Drake could do was 17-0 in nine innings. Doesn't it sound logical that we would have a better than even chance of taking the Drake nine into camp?

SENIORS

When the Knights take the field against Upper Iowa, on next Wednesday, May 20, three seniors will be playing their last baseball for Wartburg: Rudy Langholz, catcher, Armin Leschensky, outfielder, and Captain Dick Landwehr, first baseman. Will they be missed in years to come? Just let their playing this season speak for itself. It was Rudy who virtually won that ball game from the Buena Vista Beavers in that tenth inning. It was Dick who hit the brilliant strategy when the Beavers were trying to pull the traditional "squeeze" play with men on second and third and one out is something that will be talked about for years to come. He called for a pitchout and caught the hapless Beaver baserunner between third and home and then made a perfect throw to second base to catch the runner coming back to the base. Rudy went out to win that ball game, and with two out and a man on first in the last half of the tenth, he stepped to the plate, watched a couple go by, and then hit a screaming double to left center field to drive in the winning run. How can the Knights help but feel the loss of such a man from the team?

Captain Dick Landwehr has been Wartburg's mainstay at first base for his second year, and is noted for his ability to make bad throws to first base look good. This year his big bat has accounted for many runs to cross the plate. He has been hitting consistently in every game, and has hit several triples at crucial points in the games. It will be hard for Coach Van Dyke to fill his shoes come another baseball campaign.

Armin Leschensky, who covers ground in the left field better than a kangaroo could, has been the Wartburg left gardener for four years. This year he has really come into his own as a hitter, and on Thursday of this week garnered three safe blows in six trips to the plate. He is a fly-catcher deluxe and it will take a "big" man to fill his shoes next year.

WATCH THEM GO AGAINST UPPER IOWA NEXT WEDNESDAY !!!

DUBUQUE NET TEAM WINS 5-1

In a return match at Waverly the Dubuque U. tennis team defeated the Wartburg racketeers 5-1 on Thursday, April 30. Bob Engelbrecht won his single match for Wartburg's only win.

Engelbrecht (W) defeated Edwards (D) 6-3, 3-6, 6-2; Edwold (D) beat Helmkamp (W) 3-2, 6-2; Sandvolson (D) defeated Heist (W) 5-0, 6-2; and Beckmann (D) beat Volkmann (W) 3-6, 6-2, 6-0.

Edwards and Edwold (D) defeated Engelbrecht and Helmkamp (W) 6-2, 3-6, 6-2; and Sandvolson and Ulrich (D) beat Heist and Volkmann (W) 6-1, 6-4.

George J. Behnke, a 36-year-old electric company employee, recently received a bachelor of science degree from Northwestern university after 17 years in night school. He enrolled at the age of 19 and averaged two evenings a week on the campus. "Just 2 more hours of credit and I'll have a master's degree," he commented.
